

Money, Wealth & Abundance

A One Day Workshop

What is the Workshop about ?

The Workshop consists of self-exploratory sessions where you experience inner actualization leading to the invaluable outcome of MONEY, WEALTH and ABUNDANCE !

What are the Benefits of the Workshop ?

- Attract immense WEALTH & embrace ABUNDANCE .
- Make MONEY your friend.
- Learning to live in abundance
- Transform Limiting Beliefs about MONEY.
- Re-define your relationship with MONEY.

What does it cover?

It is specially designed to take us deeper into our inward and outward journey by exploring and discovering ourselves through our relationship with MONEY !

Lots of Practical tips will be given on - How you can attract Money rather than earn money.

At this Workshop you will get deep insights which will lead to a paradigm shift in your relationship with MONEY leading you to a life full of richness and ABUNDANCE !

*"The way we experience the world around us
is a direct reflection of the world inside us!
Create YOUR IDEAL WORLD of Joyful Richness!"*
